AMENDMENT AFTER ALLOWANCE UNDER 37 CFR § 1.312

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Notice of Allowance and Issue Fee Due was mailed from the USPTO in the above-captioned case on February 9, 2007. This request is being submitted with the payment of the issue fee.

Applicant requests the U.S. Patent and Trademark Office to enter the Amendments submitted under 37 CFR § 1.312 for the following reasons:

With entrance of the amendment:

The term "subset" in Claim 8 will have proper antecedent basis;

The term "square matrix" will have proper antecedent basis from intermediate Claim 11;

and

the preamble of dependent claims 26-29 will be consistent with their base Claim 25.

These errors are of a mere clerical nature and by oversight that were not presented earlier. Applicants respectfully request entrance of the amendment to the claims.
